*Each role has an opportunity to shine in their own way.*

## Act 1:

### The Announcement

(The stage is set at the North Pole. There is a big sign that reads “North Pole Talent Show Tonight!”)

**Santa Claus:** (*Excitedly*) Ho ho ho! Welcome, everyone, to the first-ever Great North Pole Talent Show! We’ve got a spectacular lineup.

**Mrs. Claus:** (*Smiling*) That’s right, Santa! And I hear we have some surprises in store, too. I can’t wait to see what everyone’s been practicing!

**Santa Claus:** Tonight, we celebrate the wonderful talents of our North Pole family!

**Mrs. Claus:** (*Nudging Santa*) And remember, Santa, it’s not a competition—it’s all about having fun and sharing joy

**Jingle:** (*Bounding in with excitement*) Oh, I’m ready, Mrs. Claus! I’ve been practicing my jokes all week! Why did the gingerbread man go to the doctor? Because he felt crummy!  
(*Giggles*)

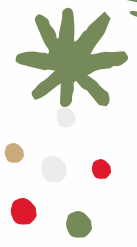

**Santa Claus:** (*Laughs*) Ho ho ho! Good one, Jingle. Now, let’s get started with our first act!

**Mrs. Claus:** Just remember everyone to try your best and we know you will all do a fantastic job.

**Santa Claus:** Yes, we all know how talented you all are working at the North Pole now we want to see what other special talents you have

**Jingle:** Don’t worry Sir, I am ready to show you what else I can do besides making toys and I promise no funny business. Well except for when I’m telling jokes, because then I want to be funny. (*laughs at himself*)

**Mrs. Claus:** Don’t worry Jingle we all know how funny you are. Okay we are going to get into places for the first act. Santa why don’t you take a seat here and let the show begin!

## Act 2: The Talent Show Begins

*(Music plays, and Snowflake nervously steps up to the centre stage)*

**Snowflake:** *(Speaking to herself, nervously)* Okay, Snowflake, you can do this. Just like you practiced...

**Mrs. Claus:** Let's welcome our first act to the stage, Snowflake

**Snowflake:** *(Shyly)* Um... hi, everyone. I'm Snowflake, oh sorry you already said that. And... I'll be doing an ice dance. This is my first time doing something like this....

**Santa Claus:** Just take a deep breath. I'm sure you will do great. *(gives her a thumbs up)*

*(The music starts. Snowflake begins her dance, gracefully gliding across the stage. The audience claps along. Halfway through, she slips, but Rudy, the reindeer, steps in to help.)*

**Rudy:** *(Whispering)* Don't worry, Snowflake! I've got your covered.

Isn't she amazing folks? Have you ever seen someone glide like that. In fact the way she moves reminds me of a joke. What do you call a snowman with a six-pack? An abdominal snowman! *(Winks)*

*(Everyone laughs, and Snowflake regains her confidence, finishing her dance with a spin.)*

**Santa Claus:** Wonderful job, Snowflake! And great save, Rudy! *(Claps)*

**Snowflake:** *(Takes a bow)* Thank you Rudy! I'm so glad you all liked it. I was a little nervous at first but your cheers helped.

**Mrs Claus:** *(Clapping)* So very talented

**Rudy:** Yes she is, but you know what time it is? Time for another joke. Why did the Christmas tree go to the barber? Because it needed a trim!

**Santa Claus:** Good one! Can you imagine a Christmas tree going to the barber?

**Rudy:** I have another one for you. Why don't reindeer play hide and seek? Because good luck hiding with these antlers!  
*(Points to his antlers)*

*(The audience laughs louder, and Rudy gains confidence.)*

**Rudy:** And what does a reindeer say before telling a joke? This one will sleigh you! *(Winks)*

*(The audience applauds, and Rudy takes a bow.)*

**Mrs Claus:** Wonderful job, Rudy! You've got quite the knack for comedy!

**Rudy:** *(Continues to bow)* Oh you are too kind! Thank you my fans. My people

*(Snowflake comes back on)*

**Snowflake:** I think it is time for another act don't you Rudy?

**Rudy:** But they love me. They really love me.

**Snowflake:** Of course they do! *(she pulls him off the stage as he waves to the crowd)*

**Santa Claus:** *(laughing)* Oh that Rudy! I can't wait to see who is next.

**Mrs Claus:** Me too! Who knew we had so much talent at the North Pole?

*(Rudy comes running back on stage)*

**Rudy:** One more folks! What do you call a reindeer who tells jokes? Me, of course!

Please no pictures. *(runs off stage - Santa and Mrs. Claus laugh)*

## Act 3: Holly's Song and Frosty's Juggling Act

*(Holly takes the stage next, holding a shiny red microphone. She waves to the audience with confidence.)*

**Holly:** Hello, everyone! I'm Holly, and I'm going to sing a song that's very close to my heart. I have rewritten the words for Deck the Halls. If you want to join in the Fa La La's I would love that.

Trim the tree and hang the tinsel, fa-la-la-la-la, la-la-la-la  
Snow is falling, oh so gentle, fa-la-la-la-la, la-la-la-la  
Sing a carol, spread the cheer now, fa-la-la, la-la-la, la-la-la  
It's the happiest time of year now, fa-la-la-la-la, la-la-la-la

Cookies baking in the kitchen, fa-la-la-la-la, la-la-la-la  
Grandma's scarf has us all itchin', fa-la-la-la-la, la-la-la-la  
Hear the sleigh bells softly ringing, fa-la-la, la-la-la, la-la-la  
Round the fire, we're all singing, fa-la-la-la-la, la-la-la-la

Stockings hung by the firelight, fa-la-la-la-la, la-la-la-la  
Hot cocoa makes the night just right, fa-la-la-la-la, la-la-la-la  
Cozy sweaters, warm and bright, fa-la-la, la-la-la, la-la-la  
It's a perfect winter night, fa-la-la-la-la, la-la-la-la

Thank you (*bows*)

**Mrs. Claus:** Oh, Holly, that was absolutely beautiful! Your voice could warm even the coldest winter night!

**Santa Claus:** (Smiling) Indeed, Mrs. Claus! Holly, you are very clever to change the words to the song.

**Holly:** I just thought it would be fun to take something old and make it new again.

**Mrs Claus:** Great work!

**Holly:** Thank you! Next, we have Frosty the Snowman with his amazing juggling act!

*Frosty waddles on stage, carrying several snowballs. He starts juggling three, then four, then five snowballs.*

**Frosty:** Hi everyone! Like Holly said, you all know me. I'm Frosty the snowman and today I am going to juggle for you.

**Mrs Claus:** Wonderful

**Frosty:** *(Concentrating)* Here we go... one, two, three...  
*(He adds more snowballs, but eventually, they all tumble down.)*

**Frosty:** *(Laughs)* Oops! Looks like I tried to juggle too much snow! But hey, it's snow problem!

*(The audience laughs, and Frosty takes a bow, picking up his snowballs.)*

**Santa Claus:** Great effort, Frosty! Remember, practice makes perfect!

**Frosty:** *(Nodding)* Thanks, Santa! You're right. Next time, I'll juggle with even more snowballs!

**Mrs Claus:** I'm not sure that was what he was saying

**Frosty:** Hey! Maybe next time I could juggle on something while I do it. Like the sleigh or a reindeer.

**Rudy:** *(pokes his head):* I don't think so. Maybe you should keep you day job.

**Frosty:** Right! Well thank you everyone and I promise next time I will have something really special to show you.

**Santa Claus:** I'm sure you will Frosty! *(chuckles)* Who do we have next?

**Mrs Claus:** It looks like we have Jingle the elf, but I haven't seen him in a while?

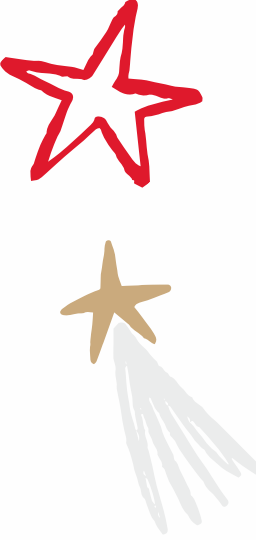

## Act 4: Twinkle's Magical Wish and a Surprise Talent

*(Twinkle, the magical star, walks in, shimmering with light.)*

**Twinkle:** *(Gently)* Hello, everyone! I'm Twinkle, and I'm here to share some magic. Tonight, I'll grant a wish for everyone here at the North Pole. I wish for joy, laughter, and a warm holiday for all!

*(Twinkle waves her hands, and the stage sparkles with a magical glow. Soft, beautiful snow begins to fall, and the audience oohs and aahs.)*

**Jingle:** *(comes running in)* Wait!! I haven't had a chance to go yet. *(he is tangled in lights falls to the ground and looks at the lights)*

Wow, Twinkle! That's incredible!

**Twinkle:** Oh Jingle. What happened to you?

**Jingle:** Well, I was back stage practicing my jokes and then I started to feel some butterflies in my tummy so I had some hot cocoa and then I saw how amazing Snowflake was doing her dance. I didn't think my jokes would be good enough so I thought if I added lights to my number I could really impress all of you, but then I got kind of tangled in the lights and well here I am.

**Twinkle:** Let me help you Jingle. I know a thing or two about lights. I have an idea. Why don't you tell you jokes while I help.

**Jingle:** Oh okay I guess I can do that. *(clears his throat)*

What's Santa's favorite type of music? Wrap music! *(the audience laughs)*

**Santa Claus:** Good one

**Jingle:** What do snowmen eat for breakfast?  
Frosted flakes!

*(everyone laughs as they walk on stage)*

**Frosty:** It's funny and true

**Jingle:** What do elves learn in school?

The elf-abet! (every joke he becomes more confident and the lights are un twisted)

**Holly:** Ha! Elf-abet I get it!

**Jingle:** Why did Santa get a parking ticket on Christmas Eve?  
He left his sleigh in a snow-parking zone!

*(the whole crowd is laughing and cheering and Jingle is untangled)*

**Jingle:** Wow! You all like my jokes.

**Twinkle:** Of course we do because we like you even without  
the fancy lights.

**Jingle:** I think I will leave the lights to you from now on.

**Twinkle:** I think that is a good plan. *(winks)*

**Santa Claus:** Jingle, I think you just showed everyone that we  
all have hidden talents and that our talents are even better  
when we work together.

**Mrs. Claus:** *(Smiling)* That's right, Santa!

**Twinkle:** Like I said before I am here to share the holiday magic  
with all of you and it looks like you had it all along.  
So I guess there is only one thing left to do.

**Jingle:** Eat Christmas cookies?

**Twinkle:** No, it's time for our grand finale!

**Jingle:** Ohhh I love a grand finale. Should I set up the lights?

**Everyone:** NO!

**Jingle:** Right, okay I was just checking.

## Act 5: The Grand Finale

*(All the characters gather center stage. Holly starts singing a joyful holiday medley, while Snowflake dances around her. Frosty juggles snowballs, Rudy tells a final joke, and Twinkle creates a shimmering light show and Jingle adds some comedic commentary.)*

**Santa Claus:** *(Clapping along)* This is what the holidays are all about—coming together, sharing our talents, and having fun!

**Mrs. Claus:** *(Cheerfully)* And spreading holiday cheer to everyone!

*(The entire cast comes together for a final bow, waving to the audience.)*

**All:** Happy Holidays to all, and to all a joyful night!

*(The curtain falls as everyone laughs, hugs, and continues celebrating on stage.)*
